# Introducing Atrium

LABS Atrium,  
The Stables Market,  
Chalk Farm Road,  
London NW1 8AH

Right in the heart of Camden Market's historic Stables, LABS Atrium offers three floors of coworking office space, beautifully designed to reflect the building's industrial heritage. Once home to a labyrinth of saddler's workshops, tack rooms and even a horse hospital. The Stables' cobbled yards now play host to a broad range of market stalls, shops, restaurants – and, of course, LABS.

Surrounding a central atrium with a striking light feature and lush plant canopy, the space includes coworking areas, comfortable seating, private offices, and meeting rooms. There are outdoor terraces that offer a serene setting for collaboration, and your location near Regent's Canal and Camden's vibrant market sets you at the centre of one of the most innovative and iconic parts of London.
